reading curriculum theory the development of a new hermeneutic is a study of curriculum theory texts of the 1980s focusing on three divisions within the theoretical traditions of the field the conservative the reconceptualist and the reproductionist the book provides a hermeneutic reading of specific texts within each tradition the book relies heavily upon the interpretation theory of paul ricoeur and discusses ricoeur s theoretical works the book reveals and demonstrates that the ultimate aim of interpretive reading or the hermeneutic process is enhanced self understanding

contemporary literary theory takes truth and meaning to be dependent on shared conventions in a community of discourse and views authors intentions as irrelevant to interpretation this view argues reed way dasenbrock owes much to anglo american analytic philosophy as developed in the 1950s and 1960s by such thinkers as austin and kuhn but it ignores more recent work by philosophers like davidson and putnam who have mounted a counterattack on this earlier conventionalism this book draws on current analytic philosophy to resuscitate the notion of objective truth and intentionalist models of meaning and interpretation thereby moving beyond the antifoundationalism of postmodern theory it addresses the work of rorty and fish as representative of literary conventionalism discusses the futility of derrida s anti intentionalism and shows how poststructuralist thinkers like althusser and foucault have contributed to the new thematics of race class gender and sexual orientation that dominates literary theory today examining the counter arguments of conventionalists to have their theory judged by its consequences dasenbrock shows how damaging this antiobjectivism and anti intentionalism have been for literary studies

the library of living philosophers has exceeded even schilpp s expectations enabling the outstanding philosophers of each generation to do more than clarify by extending and elaborating their thoughts a volume in the library of living philosophers is not merely a commentary on a philosopher s work it is a crucial part of that work
